

Fronton Rouge Ch. Baudare 2019

The One Liner

Bold wine with silky tannins and flavours of smokey black fruit.

Tasting Notes

Intense aromatics of dark fruits, black cherry and spice. It is a bold wine with silky tannins and flavours of blackberries and blackcurrant.

Food Matches

Would pair well with grilled meats and roast chicken.

Producer: Chateau Baudare

The Baudare Estate has been in the Vigouroux family since the 1820's. It is now owned by David Vigouroux and his wife, Claire. David is widely regarded as the best winemaker in the Fronton region – his wines are beautifully made and fantastic value for money. A champion of the indigenous Negrette grape, David uses this as the basis for his red and rosé wines. Fronton is a much under-rated appellation.
