### Producer: Laurent Perrier

Founded in 1812, Laurent-Perrier has been avant-garde in creating unique and elegant champagnes for nearly two hundred years. The house was acquired by the Nonancourt family in 1939 and for over 65 years Bernard de Nonancourt has dedicated his life to innovating and perfecting Laurent-Perrier Champagne. As a result, Laurent-Perrier is one of the world's most esteemed champagne brands, and also the largest family-owned brand. Now more than ever, the Nonancourt family values guide the Laurent-Perrier team, currently under the direction of Yves Dumont. The Champagnes are produced by a team led by Michel Fauconnet, chef de cave, and his predecessor Alain Terrier, who is recognized as one of the greatest winemakers in Champagne. The wines are unique not only because of the philosophy that has inspired them, but also for their style, flavour, and consistency in quality, as one cuvée succeeds another.
