Did you know...?

Intrepid sailors navigating Tasmania's Tamar River discovered a treacherous bend and named it Devil's Corner.

Producer: Tamar Ridge

Tamar defines the heart of northern Tasmania describing both the wine region and the river, the life-blood for the region. For generations the river has been used for trade, discovery and inspiration. It has created a rich, fertile valley that, with its pristine climate, is ideal terroir for producing world-class wines. The Tamar Ridge range of wines offers pristine varietal definition, great purity of fruit character and the refreshing acidity which is the hallmark of genuine cool-climate wine.
