DELIVERIES VIA CARRIER:

Due to potential weather disruption and carriers offering only a limited delivery service during the festive season, we kindly request that all customers who receive their wine via carrier order enough to last through until wb 6th January 2020.

If you receive your order via carrier we will therefore need your **last order** of the year **ON OR BEFORE TUESDAY 17th DECEMBER AT NOON FOR DELIVERY ON OR BEFORE FRIDAY 20th DECEMBER**.

If our offices are closed you can always leave your order on the answer machine or email orders@alexander-wines.co.uk. Please don't be afraid to overstock in the weeks leading up to Christmas. We will, as always, uplift and credit anything unused.

Wishing you a happy and profitable festive period.

Kind regards, Alexander Wines
